JUHANA VIITAMO

PROFILE

I am social, brisk and ambitious information networks student at Aalto-university. Based on my studies, I have mastered the basics of programming and information management. With the help of my work experience, I am able to succeed in sales and customer service. My hobbies include football, photography and investing. I am seeking for positions related to data management and sales.

EDUCATION

AALTO UNIVERSITY, INFORMATION NETWORKS (2019 -)

Information networks as a major includes programming and industrial engineering combined with communication and social skills.

ETELÄ-TAPIOLA HIGH SCHOOL (2016 - 2019)

Matriculation examination GPA 6.3 (LLEEEE)

1000€ granted by Technology Industries in Finland for excellence in the mathematics matriculation examination

WORK EXPERIENCE

SALES REPRESENTATIVE, SUOMEN KALA-AUTO OY

5/2018 – 6/2019

My responsibilities included F2F-selling, creating contacts, driving a van and training new sales representatives. This job taught me customer service, sales and taking responsibility.

MACHINE OPERATOR, KONETEHIDAS K&K OY

5/2017 - 8/2017

In this job I operated a machine, which produced metal particles for secondary production. In addition, I worked as a Jack of all trades. This job taught me patience, precision and the ability to learn new things faster.

CONFIRMATION CAMP GROUP LEADER, TAPIOLA CHURCH

2016 – 2017

I worked as a group leader at a confirmation camp for two summers in a row. My job included taking care of the participants, leading group meetings and planning program for evenings.
